We have had a great start to the school year! At our 'Welcome to Renner' PRIDE assembly, we went over what it means to show Renner PRIDE—be Positive, Respectful, In-Control and Determined Every day! We also welcomed all of our new Roadrunners! Another exciting back to school experience was the Solar Eclipse! It was an exciting day as we experienced this as a whole school.

Renner received news that our state required assessment, MAP, scores increased in English Language Arts and Math for 3rd, 4th and 5th grades!

Way to go Roadrunners and teachers!
